Sir

I would respectfully apply
for a leave of absence for (30) thirty days for
the purpose of going to Lexington Kentucky to
see L. B. Gorgely date Oct 24th Reg. of Vol. Inf.
in reference to settling the Ordnance business
of the aforesaid Regiment, as there never has
been a complete Ordnance return made by the
Captains of the above named Regiment, because
of the Ordnance receipts now in their possession
being informal and of no value to them in
making out returns, from the fact that they
are signed by Col. Gorgely and Surg. instead
of "properly", and for the purpose of completing
the Ordnance returns and having the receipts
signed properly I would respectfully ask
the Genl. Commanding to grant me this leave
of absence.

Very Respectfully

Your obedt. Servt.

 at present, absent from

 about one hundred

 by consistent with
 the good of the service,
 these two officers may
 be granted leave of

Sir

Your petitioner respectfully represents that he has not been absent from his company since the organization of the regiment. Capt Wall; and although his private business at home has suffered very much by his absence and has demanded his attention, yet while before the enemy and there was a prospect of an engagement he has foregone any application for leave of absence. My companions and several others were felled in the mountains in the north eastern part of Kentucky, and are for the most part poor and their poverty has been increased by past and present depredations of the rebels under Williams and Marshall. They have been paid off and desire a safe mode of sending their money home. They desire that I should take it, and my private business also imperatively demanding my presence I respectfully beg leave of absence for thirty days.

Your petitioner respectfully represents that he has not been absent from his company since the organization of the regiment last Fall, and although his private business at home has demanded his attention very much and has suffered greatly for the want of it, yet while in front of the enemy, and there was a prospect of an engagement he has generously application for leave of absence. My company and Co D of this regiment were formed in the eastern portion of the State of Kentucky near Wildcat and in that portion of the country, devastated by the rebels under the leadership of Gollicoffer. The families of all of the men of these two companies are poor and have been impoverished by the vandalism of this rebel gang. The regiment has just been paid off and it is the desire of the men of these companies as they have no other means of supporting it, that I should go and take their little sums to their suffering families. For this reason, and that I may have an opportunity of tending to my private business which is suffering for my attention I respectfully ask leave of absence from this regiment for thirty days.

Respectfully

VOLUNTEERS.

Entered on R. Roll
1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 3.—Amounts due the Butler and Landrean must be entered on the Master Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 4.—This blank will be used for deceased volunteers as well as others.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1864.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Record and Pension Office,

WAR DEPARTMENT,

Washington,

Jan. 14, 1897.

This man deserted on or about Jan. 24, 1863, and returned on or about April 4, 1863. As he was subsequently restored to duty by S.O. #273 Hdqrs. Dept. of the Ohio dated July 20, 1863 (amended by S.O. #392, same Hdqrs. dated Aug. 3, 1863), and S.O. #46 Hdqrs. Mil. Dist. of Ky., dated Feb. 17, 1865, without trial, but upon conditions which appear to have been complied with (so far as not waived by the Govt.) the charge of desertion no longer stands against him. The record

A. G. N.

of the fact that he was
absent in desertion from
on or about Jan. 24, 1863,
to on or about Apr. 4, 1863,
cannot however be ex-
punged.

To Brig Genl Potter

General,

I have the honor to apply
for leave of absence for thirty days to visit my
home in Kentucky.

I have my application on the
following grounds:

I have been 2 1/2 years in active
service, without absence, from leave or otherwise. I have
been constantly with my command.

Leave was granted me for thirty
days in August last: I did not avail myself of
it, but moved with my Regt to Tennessee, assuming
that by so doing I would not prejudice my claim

My property interests have during my
absence and in consequence of it, become involved, and
my presence at home is necessary

If I am permitted to go home, Lt Col.
North, an efficient officer will command the
Regt during my absence.

I have the honor to be,

Yours obedt Servt.

Frankfort April 12th 1864.

The deplorable condition of the nation of the state
from which this Regt was raised - hurried by moving
bands of guerrillas - to such extent that hundreds of
loyal families have been driven to abandon their
homes - making it of the utmost importance of possible
that this Regt should be sent to that section. Confidence
would be inspired in the Union banner & people
and the advantages of knowing the country & security
would enable this Regt to give protection & security
to the suffering people

Ad. Is in the field

April 12th 1864

Major Genl. Sevier;
Commandy Dept of the Ohio;

Allow me to intro-

duce to you Col. J. S. Hurt of 24th Ky. vol. Inf.
This Regt. was raised in 1861, in the Counties
of Montgomery, Butler, Rowan, Breathitt
and other Counties running towards the
Big Sandy River. They are therefore well
acquainted with all the lands, roads,
and people in that region of country.
That District has been subject to almost
constant incursions of Guerilla bands for
the last two years. I think they would
do more good in capturing and dispers-
ing those bands than any other
three Regts that could be placed there.
Col. Hurt will more fully represent to you
than I can write the condition of that Country
and the service that Regt. can render there
and I earnestly request that you will

it to me immediately. I have already
sent you the 11th by as you requested.
I am particularly anxious to have
it sent and think it will do better
service there than anywhere else and
ask it for the good of the service. —

Yours &c. truly

This man deserted on or about

As he was subsequently restored to duty by S. O. #273, Hqs. Dept. of the Ohio, July 20, 1863, & resigned by S. O. #292, of Aug. 3, 63, from same Hqs.,

without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands

against him. The record of the fact that he was absent

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

John F. Johnson was captured by our men at the 21st of Feb. 1862 from the Rebel Army and found my Co. as per statement was a true soldier... He said he had a wife and one child in Louisiana or a wife & child... I think he spoke of Louisiana as the town. The Company holds possession of that country and however got no letters if he has no family then he has no relatives in the United States.

I entered upon duty as a *1st Lt* *Sept 1st* 1862, by virtue of such
Commission there being a vacancy in the same grade in *Company I* same Regiment, caused
by the *Resignation* of *Jas. H. Turner*.

I was last paid as a Commissioned Officer by *Wm Ballard* up to *June 30th*
1863.

The reasons why I have not been discharged and mustered at an earlier date, are as follows :
until now an opportunity has never been
fairly presented and having been told by mustering
officers that it was not necessary I should be mustered
as my Commission was dated prior to the issuing of the order.

NOTATION.

Bank mark: 1714 - A - 1887

War Department,

Adjutant General's Office,

Washington July 22, 1887.

The charge of desertion of Nov. 4, 1862
is removed as erroneous.
This man deserted on or about Jan. 28

1863, but as he returned to the service on or about
April 1, 1863, under the President's Procla-
mation dated March 10, 1863, and appears to have
complied with the conditions thereof (so far as not
waived by the Government), the charge of desertion
no longer stands against him. The record of the fact
that he was absent in desertion from on or about
Jan 28, 1863, to on or about April
1, 1863, cannot, however, be expunged.

He was admitted to S. H. No.
2. Knoxville, Tenn., Oct. 29,
1863 with Diarrhoea, and
transfd. Dec. 23. 1863.
Entered Asylum S. H. (No. 1)
Knoxville, Tenn., Feb. 24
(1864)

1864 with Typhoid fever
and transferred Apr. 30,
1864; entered Cumberland
G.H., Nashville Tenn., May
1. 1864 convalescent
from pneumonia, and
transfd. Sept 20. 1864; ad-
mitted to Jefferson G.H.
Jeffersonville, Ind., Sept.

NOTATION.

Book mark: 2174 D. 1887.

War Department.

Adjutant General's Office.

Washington March 10 1887.

This man deserted on or about February

2, 1863, and returned

on or about March 16, 1863.

As he was subsequently restored to duty by S.O. Nos.
273 & 292 Series 9/1863 Hdqrs.
Department of the Ohio,

without trial, but upon conditions which appear to have
been complied with (so far as not waived by the Gov-
ernment), the charge of desertion no longer stands
against him. The record of the fact that he was absent

in desertion from on or about February 2,
1863, to on or about March 15, 1863,

cannot, however, be expunged.
